

***Application Postmark Deadline: December 1, 2009***

The School of Computer and Information Sciences (CIS) is proud to announce our Outstanding Student Scholarship Program for students enrolling as first time freshmen at USA in the School of CIS for Fall semester, 2010. These scholarships will be awarded in addition to the general scholarship program for freshmen.

The total value available for each scholarship will be \$5,000. The first \$2,000 will be awarded at the beginning of the student's freshman academic year contingent on meeting the eligibility requirements with annual awards of \$1,000 at the beginning of each following three academic years contingent on continued enrollment at USA while pursuing a degree within the School of Computer and Information Sciences, maintaining a minimum GPA of 3.0, and completion of 30 hours of course work per academic year.

The three specific groups of students that are eligible and encouraged to apply for these awards are:

- Students with a composite ACT score of 29 or higher or equivalent SAT score  
Or
- Students graduating high school with an IB diploma  
Or
- Students graduating high school with an Honor's diploma

**Application Instructions:**

Students wishing to apply for one of these scholarships must provide the following two items:

1. Typed or printed, completed application.
2. Grade verification form:
  - High school student must provide an official high school transcript. This transcript must be sent by the guidance counselor or principal to the same address as the CIS scholarship application and postmarked by December 1, 2009.

The application and transcript must be mailed no later than **December 1, 2009** to:

CIS Outstanding Student Scholarship Program  
School of Computer and Information Sciences  
University of South Alabama  
FCW 20  
Mobile, Alabama 36688

**Criteria:**

Successful candidates must be admitted as a first time freshman undergraduate student at USA and meet one of the requirements listed above.

All qualified students will be considered for these awards. High School activities and accomplishments as well as leadership may be considered to determine scholarship recipients.
